

# **Water Conservation Measures**

## **Meadowcreek Mutual Water Company**

### **2019**

- All hoses must be equipped with a shutoff device and hose end sprinklers must be connected to a timer.
- Overfilling of swimming pools and spas is prohibited.
- Washing of sidewalks, driveways, streets, and other hard surfaces is prohibited.
- Vehicle washing is allowed only with a shut off nozzle attached to the hose.
- All water leaks indoors and outdoors must be repaired as soon as possible or within 48 hours after notification.
- All sprinklers must be directed to the area being watered and water must not run off onto sidewalk, street, adjacent property, or non-irrigated areas.
- Outdoor irrigation during and 48 hours following measurable precipitation is prohibited.

### **Watering Days**

- Home owners, commercial and the Park may water up to three times per week. You choose which days to water.

### **Watering Times**

- Except from November 1 through March 31, you **may not water** between the hours of **9:00 a.m. and 5:00 p.m.** Exceptions will be hand watering and drip irrigation systems.

### **Conservation of Water**

Please continue to save water as we have the last few years. The saving of water was significant, and we should all be proud that we could do our part not to waste such an important resource. Thank you.
